## What is Title Insurance?

First Title insures certain Covered Risks that might affect ownership rights and the Title to your Strata Unit and its marketability.

The Strata Owners GOLD Policy is not an annual policy, does not require renewal and coverage continues even after even after you no longer own your Strata Unit Title. The Strata Owners GOLD Policy also insures anyone who receives your Title because of your death, or any beneficiaries of a trust that you might create.

Cover extends to the legal defence of the Title to the Strata Unit from any challenge related to a covered Risk, including legal costs and expenses as set out in the Policy Wording.

## Duty of Disclosure

Before you enter into a Strata Owners GOLD Policy with us, you have a duty, under the *Insurance Contracts Act 1984*, to disclose to First Title any matter you know, or we can reasonably expect you know, which is relevant to First Title's acceptance of your request for cover and to determine the conditions that apply to your Policy.

Your duty does not require disclosure of a matter:

- that is of common knowledge
- that First Title knows or, in the ordinary course of business, ought to know; or
- where First Title waives compliance with your duty.

If you fail to comply with the duty of disclosure in respect of the Policy, First Title may be entitled to reduce its liability under the Policy in respect of a claim or may cancel your Policy. If the non-disclosure is fraudulent, First Title may also have the option of avoiding your Policy from its beginning.

If you are not sure whether you should disclose a matter to First Title, simply contact us and we can discuss this with you.

If your Conveyancing Practitioner assists you with ordering your Policy, they may receive a Report on Title fee from First Title. We offer this payment as acknowledgement of the time and expertise it takes your Conveyancing Practitioner to complete the due diligence process we require to purchase a First Title Policy.

---

## Coverage Limitation

The Policy Amount is based upon the value of the Strata Unit at the time you take out a Policy with us. The Policy Amount will increase with the fair market value of the Strata Unit up to a maximum of 200% of the initial Policy Amount. If you make a claim under the Policy, the Policy Amount will decrease by the value of payments we make to you. However, legal fees and expenses we incur defending the Title to the Strata Unit will not reduce the Policy Amount.

Payments made under the Policy will be limited to your actual loss.

First Title will pay the lesser of your actual loss and the Policy Amount subject to cover limitations noted in your Policy.

---

## **What happens if we accept your claim?**

We will write to you with the outcome of your potential claim and advise you on the next steps. We must approve claim solutions and costs before you take action to resolve the claim.

## **Your loss statement**

You are required to provide us with a written statement to prove your claim of loss. Your written statement might include quotes from contractors, an appraisal by professional valuer or invoices, etc. Please contact us if you are uncertain of what to provide to support your claim of loss. We will assist you through this process.

## **Engaging contractors and other professionals**

We may require contractors and other professionals, such as a lawyer, to assist with providing a solution to your claim.

We may engage a lawyer to assist with your claim, but we do not select or engage contractors. First Title does not take responsibility for works undertaken by contractors.

You are responsible for selecting and engaging your preferred contractor subject to pre-approval of costs by us. You are also responsible for verifying a contractor is qualified to undertake the work required.

---

## Settling claims and payments

If we accept your claim and your loss statement, we have options on how we can settle your claim.

Settlement Option	Example
<b>1. Pay the claim against your Title</b>	You discover there are outstanding water rates owed for your Strata Unit that should have been paid by the previous owner. We might choose to pay the previous owner's portion of the water rates to ensure a lien is not placed on your Strata Unit Title.
<b>2. Negotiate a settlement</b>	You discover a garage owned by your neighbour encroaches on to your Strata Unit. We might choose to negotiate a settlement with your neighbour for the removal of the garage.
<b>3. Prosecute or defend a court case related to the claim</b>	Someone else claims to have an interest in the Title to your Strata Unit. We might choose to initiate or defend legal proceedings to defend your Title to your Strata Title.
<b>4. Pay you the amount required by the Policy</b>	You discover that your Strata Unit is zoned commercial and the Local Authority says you cannot live in your Strata Unit. We may determine that your actual loss is the Policy Amount and we may pay you the Policy Amount listed in your Policy Schedule.
<b>5. Take other action that will protect you</b>	After acquiring your Strata Unit and before the Policy Date, you discover adverse circumstances related to a heritage listing applied to your Strata Unit by the Local Authority. We might choose to engage a local lawyer to assist with disputing the heritage listing with the Local Authority.

If we pay you the maximum amount under a coverage feature, then we will no longer be liable to pay you under that coverage feature.

---

If we have paid you the Policy Amount in your Policy Schedule together with costs, legal fees and expenses incurred up to that time which we are obliged to pay, the Policy will be cancelled.

We can end the duty to defend your Title by exercising any of our settlement options.

---

You must cooperate and give us the information we require for the recovery action. You must not take action, which prejudices our right to recover. We can reduce our payment to you under the Policy if something you do impacts our ability to recover money paid to you under the Policy.
